

STRUCTURAL ENGINEERS
ASSOCIATION OF WASHINGTON

STUDENT & EDUCATORS NIGHT

*Students, Educators and Parents are invited to join the **Structural Engineers Association of Metro Washington (SEA-MW)** for a **FREE** opportunity to learn about some of the best work going on in the local architectural, engineering, and construction community. Hosted by the local chapter of the Structural Engineers Association, the Awards Exhibition features professionally curated displays of the best projects designed by DC-area firms. This will be a great opportunity to meet professionals and learn about their work.*
